RESOLUTION 2013-026

A RESOLUTION EXPRESSING OPPOSITION TO ASSEMBLY BILL NO. A-1196 WHICH CREATES REBUTTABLE PRESUMPTION OF WORKER'S COMPENSATION COVERAGE FOR ANY DEATH OR DISABILITY, BECAUSE OF ITS POTENTIAL TO RAISE COSTS FOR MUNICIPALITIES

WHEREAS, Public Safety employees and volunteers should be adequately compensated for on-duty accidents and illnesses; and

WHEREAS, New Jersey's current Workers' Compensation law is already one of the broadest in the country; and

WHEREAS, Assembly Bill No. A-1196, as currently drafted, will make it almost impossible to contest claims from injuries and illnesses caused off-the-job; and

WHEREAS, this Bill places the burden of proof on governmental employers to establish that an injury or illness, such as cancer, heart attack or hyper tension did not occur on the job; and

WHEREAS, the actuary for the Municipal Excess Liability Joint Insurance Fund (MEL) has estimated that Assembly Bill No. A-1196 could easily double municipal Workers' Compensation expense of \$400 million per year; and

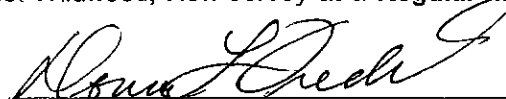

WHEREAS, the MEL and the New Jersey League of Municipalities have offered to sit down with the supporters of this legislation to develop less expensive ways of improving the compensation to first responders;

NOW, THEREFORE BE IT RESOLVED that the Mayor and Commissioners of the Borough of West Wildwood, County of Cape May, New Jersey urges the legislature to reject Assembly Bill No. A-1196 and urges the supporters of this legislation to work with the MEL and the New Jersey League of Municipalities to develop less expensive ways to improve compensation to first responders; and

BE IT FURTHER RESOLVED that a copy of this Resolution be forwarded to Governor Chris Christie, Senate President Sweeney, Assembly Speaker Oliver, Senator Jeff Van Drew, Assemblyman Nelson T. RESOLUTION 2013-025

A RESOLUTION EXPRESSING SUPPORT OF ASSEMBLY BILL NO. A-3630/SENATE BILL NO. S-2435 PROVIDING FOR \$20 MILLION IN EMERGENCY SUPPLEMENTAL MARKETING FUNDING FOR THE NEW JERSEY DIVISION OF TRAVEL AND TOURISM TO ADDRESS THE NEGATIVE IMAGE OF THE CONDITION OF THE JERSEY SHORE IN THE AFTERMATH OF HURRICANE SANDY

WHEREAS, Hurricane Sandy caused severe damage to Ocean and Monmouth Counties in New Jersey on October 29, 2013; and

WHEREAS, national media coverage and celebrity fundraisers have created the perception that the entire 127 miles of New Jersey coastline was destroyed; and

WHEREAS, reality is that while a few communities along the Jersey Shore did sustain catastrophic damage from Hurricane Sandy and will require many months to recover, the majority of the Jersey Shore is already or will be open for business by the traditional Memorial Day Weekend start of the summer season in 2013; and

WHEREAS, tourism is a \$38 billion industry in New Jersey creating over 300,000 jobs that we cannot afford to lose; and

WHEREAS, Maryland, Virginia, North and South Carolina are launching aggressive advertising campaigns to lure New Jersey customers to their vacation destinations; and

WHEREAS, the \$9 million budget for marketing New Jersey Tourism is insufficient to counter the negative image created by media and maintain status quo marketing; and

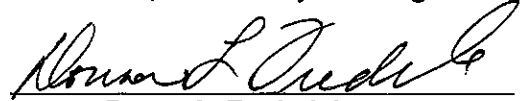

WHEREAS, the tourism industry generates over \$150 million in tax revenue for New Jersey which if lost in whole or part would be devastating to our state's economy.

NOW, THEREFORE BE IT RESOLVED that the Mayor and Commissioners of the Borough of West Wildwood, County of Cape May, New Jersey, hereby supports Assembly Bill No. A-3630 and Senate Bill No. S-2435 calling for an emergency supplemental marketing allocation of \$20 million for promoting New Jersey Tourism and that this campaign should begin immediately; and

BE IT FURTHER RESOLVED that a copy of this Resolution be forwarded to Senator Jeff Van Drew, Assemblyman Nelson T. Albano, Assemblyman Matt Milam, the Cape May County Chamber of Commerce and all municipalities in Cape May County.

RESOLUTION 2013-027

A RESOLUTION EXPRESSING OPPOSITION TO A RESOLUTION EXPRESSING OPPOSITION TO SENATE BILL NO's. S-2511 AND S-2512 REGARDING AMENDMENTS TO THE OPEN PUBLIC MEETING ACT AND OPEN PUBLIC RECORDS ACT

WHEREAS, the Senate will be considering the most recent amendments to the Open Public Meeting Act (Senate Bill No. S-2511) and Open Public Records Act; and

WHEREAS, the changes proposed will not only be a cost driver for local and State government but make government less effective; and

WHEREAS, the proposed amendments would require that the public body allow each individual to speak for a minimum of three minutes, at the start of the public meeting, but removes the ability of the public body to limit the overall length of the public comment period; and

WHEREAS, this new requirement could disrupt public meetings, lead to filibustering and prevent the governing body from conducting business; and

WHEREAS, the proposed amendments also require subcommittees to be subject to the Open Public Meetings Act. The purpose of subcommittees is to make recommendations to the governing body to take action. Subcommittees do not expend public funds nor make binding decisions. That power remains with the governing body. Senate Bill No. S-2511 would require public notice of subcommittees, if the governing body determines that the meeting is open to the public, and the subcommittee to submit at least one written report to the governing body. The report must detail the number of meetings, names of members of the committee and a concise statement of the matters discussed. These new requirements for subcommittee meetings would, among other things, necessitate additional administrative support for all subcommittees as well as increased legal advertising costs; and

WHEREAS, while government records should be readily accessible and transparent there must be an appropriate balance between the need for openness and transparency in government and citizens' reasonable expectation of privacy; and

WHEREAS, consideration should be given to the recommendations outlined in the December 2004 Privacy Study Commission Report; and

WHEREAS, in the interest of transparency and openness, the Legislature should remove the various exceptions in the Open Public Meetings Act and Open Public Records Act that apply to the Legislature. The rules that the legislation makes applicable to other governmental bodies should apply equally to all governmental levels and officials.

NOW, THEREFORE BE IT RESOLVED that the Mayor and Commissioners of the Borough of West Wildwood, County of Cape May, New Jersey strongly opposes the amendments proposed in Senate Bill No's. S2511 and S-2512; and

BE IT FURTHER RESOLVED that a copy of this Resolution be forwarded to Senate Majority Leader Loretta Weinberg, Senator Jeff Van Drew, Assemblyman Nelson T. Albano, Assemblyman Matt Milam, the New Jersey League of Municipalities and all municipalities in Cape May County.
