BOROUGH OF WEST WILDWOOD

COUNTY OF CAPE MAY

REPORT OF AUDIT

FOR THE YEAR ENDED DECEMBER 31, 2010

June 24, 2011

The Honorable Mayor and
Members of the Borough Board of Commissioners
Borough of West Wildwood
West Wildwood, New Jersey 08260

In planning and performing our audit of the financial statements of the Borough of West Wildwood for the year ended December 31, 2010, we considered the Borough's internal control to plan our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control. However, during our audit, we noted the following that we present for your information and consideration. This letter does not affect our report dated June 24, 2011 on the financial statements of the Borough of West Wildwood.

Management's Responsibility for Establishing and Maintaining a System of Internal Control

The responsibility for establishing and maintaining an effective system of internal control in order to minimize the risks associated with the safeguarding of assets against unauthorized use and to also assist in the detection and prevention of fraud rests with the management of an organization. In his book entitled Evaluating Internal Controls, A Local Government Manager's Guide, Stephen J. Gauthier, the Director of Technical Services for the Government Finance Officers Association, states that "the key role in internal controls has always properly belonged to management". Whether the organization is a business, nonprofit organization or a government, this responsibility is present and is vital for the organization to achieve its goals. Mr. Gauthier, in accordance with the integrated framework for internal control established by the Committee of Sponsoring Organizations (COSO) states that management's fundamental responsibilities include an organization's effectiveness, efficiency, compliance and financial reporting. If these qualities are a responsibility of management, then internal controls must be viewed as the framework that management establishes to ensure that it meets its responsibilities.

There are five components to internal control:

- Control Environment- this component sets the tone of the organization relative to the internal control consciousness of the organization's people.
- Risk Assessment- this component is the process of identifying and responding to the organizations business risks.
- Information and Communication Systems- this component includes the information system, including hardware, software, human resources and procedures. It also includes communication which is the responsibility of management to provide an understanding of the individual roles and responsibilities pertaining to internal control over financial reporting.
- Control Activities- this component includes the policies and procedures that assist to ensure that management's directives are carried out.
- Monitoring- this last component requires management to consider whether controls are operating as intended, that they are effective, and that they are modified as needed on an ongoing basis.

Internal Controls in the Borough of West Wildwood

The management of the Borough of West Wildwood maintains numerous effective internal control policies and procedures. However, it is our opinion that improvements could be made with respect to the documentation, communication and monitoring of these controls.

Documentation

Currently, the documentation of the internal control maintained by the Borough is somewhat fragmented. We believe that it would be beneficial to organize all procedures and policies as they exist in various ordinances, resolutions and other documents into a policy and procedures manual. In addition, supplemental policies and procedures should be added if necessary. This would be a valuable reference tool for use by the employees of the Borough who have the responsibility of playing a role in carrying out the internal control policies and procedures established by management. I would suggest that the areas of cash receipts, cash disbursements and payroll should be addressed first.

Communication

No matter how well an organization's internal control policies and procedures are designed, they are only effective when they are communicated and understood by those who are responsible for their implementation. We suggest that once internal control policies and procedures are documented, that they be communicated in a fashion that will contribute to the overall effectiveness of those controls.

Monitoring

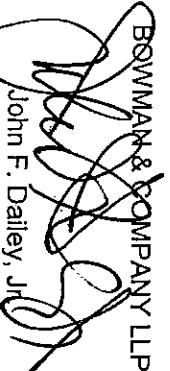

Again, monitoring of internal control is the process whereby management considers, on an ongoing basis, whether controls are operating as intended, if they are effective, and that they are modified as needed. Policies should be implemented to ensure adequate monitoring of documented internal control policies and procedures.

Appreciation

This management letter is intended solely for the information and use of the management of the Borough of West Wildwood and the Division of Local Government Services, Department of Community Affairs, State of New Jersey and is not intended to be and should not be used by anyone other than these specified parties.

We received the complete cooperation of all the personnel of the Borough during the conduct of our audit and we greatly appreciate the courtesies extended to us. We stand ready to discuss these recommendations in greater detail and/or assist in the implementation of the recommendations.

Respectfully submitted,

BOWMAN & COMPANY LLP

INDEPENDENT AUDITOR'S REPORT

The Honorable Mayor and
Members of the Borough Board of Commissioners
Borough of West Wildwood
West Wildwood, New Jersey 08260

We have audited the accompanying statements of assets, liabilities, reserves and fund balance-- regulatory basis of the various funds of the Borough of West Wildwood, in the County of Cape May, State of New Jersey as of December 31, 2010 and 2009, and the related statements of operations and changes in fund balance-- regulatory basis for the years then ended, and the related statement of revenues-- regulatory basis, statement of expenditures-- regulatory basis for the year ended December 31, 2010. These financial statements are the responsibility of the Borough's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as discussed in the following paragraph, we conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and in compliance with audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Borough's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The financial statements referred to above do not include the general fixed assets account group, as required by N.J.A.C. 5:30-5.6, because a record of general fixed assets was not maintained by the Borough. The amount that should be recorded in the general fixed assets account group is not known.

As described in Note 1, the financial statements previously referred to have been prepared in conformity with accounting practices prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which differ from accounting principles generally accepted in the United States of America. The effects on the financial statements of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

In our opinion, because of the effects on the financial statements of the requirement that the Borough prepare its financial statements in accordance with the accounting practices discussed in the preceding paragraph, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Borough of West Wildwood, in the County of Cape May, State of New Jersey, as of December 31, 2010 and 2009, or the results of its operations and changes in fund balance for the years then ended.

Furthermore, in our opinion, except for the effect on the financial statements of the omission described in the third paragraph, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, reserves and fund balance--regulatory basis of the various funds of the Borough of West Wildwood, in the County of Cape May, State of New Jersey, as of December 31, 2010 and 2009, and the results of its operations and changes in fund balance of such funds--regulatory basis for the years then ended, and the revenues--regulatory basis, expenditures--regulatory basis of the various funds, for the year ended December 31, 2010 in conformity with accounting principles and practices prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey as described in Note 1.

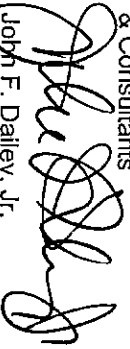

In accordance with Government Auditing Standards, we have also issued our report dated June 24, 2011 on our consideration of the Borough of West Wildwood, in the County of Cape May, State of New Jersey's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in conjunction with this report in assessing the results of our audit.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Borough of West Wildwood's basic financial statements. The supplementary financial statements presented for the various funds are presented for purposes of additional analysis as required by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements of each of the respective individual funds and account group taken as a whole.

Respectfully submitted,

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable Mayor and
Members of the Borough Board of Commissioners
Borough of West Wildwood
West Wildwood, New Jersey 08260

We have audited the financial statements (regulatory basis) of the Borough of West Wildwood, in the County of Cape May, State of New Jersey, as of and for the year ended December 31, 2010, and have issued our report thereon dated June 24, 2011, which indicated that the financial statements were not prepared in accordance with accounting principles generally accepted in the United States of America but were prepared on a regulatory basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. In addition, records for general fixed assets were not maintained as required by N.J.A.C. 5-30-5.6. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, and in compliance with audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Borough of West Wildwood's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Borough's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Borough's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as described in the accompanying Schedule of Findings and Recommendations, we identified certain deficiencies in internal control over financial reporting that we consider to be material weaknesses and other deficiencies that we consider to be significant deficiencies.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Borough's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the following deficiencies described in the accompanying Schedule of Findings and Recommendations to be a material weaknesses: 2010-2 and 2010-5.

A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies described in the accompanying Schedule of Findings and Recommendations to be significant deficiencies: 2010-1, 2010-3, 2010-4, 2010-6 and 2010-7.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Borough of West Wildwood's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under Government Auditing Standards and audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs which are described in the accompanying Schedule of Findings and Recommendations as findings no.: 2010-2, 2010-3, 2010-4, 2010-5 and 2010-6.

We noted a matter that we have reported to management of the Borough in a separate letter dated June 24, 2011.

The Borough of West Wildwood's responses to the findings identified in our report are described in the accompanying Schedule of Findings and Recommendations. We did not audit the Borough of West Wildwood's response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of the management of the Borough, the Division of Local Government Services and Department of Community Affairs and is not intended to be and should not be used by anyone other than these specified parties.

BOROUGH OF WEST WILDWOOD
Notes to Financial Statements
For the Year Ended December 31, 2010

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Financial Reporting Entity - The Borough of West Wildwood was incorporated in April 21, 1920 and is located in the southeastern portion of Cape May County. The Borough is a small island that is connected to the City of Wildwood and bordered by The City of North Wildwood and Middle Borough. The population estimate by the U.S. Department of Census as of April 2010 is 603. The Borough provides the following services: public safety, recreation, public improvements, planning and zoning and general administrative services.

The Borough is governed by an elected, three member commission for of government, with the Mayor appointed annually by the commission members. The commission is comprised of three individuals serving concurrent four year terms.

Component Units - The Borough of West Wildwood had no component units as defined by Governmental Accounting Standards Board Statement No. 14.

Basis of Accounting, Measurement Focus and Basis of Presentation - The financial statements of the Borough of West Wildwood contain all funds and account groups in accordance with the "Requirements of Audit" as promulgated by the State of New Jersey, Department of Community Affairs, Division of Local Government Services. The principles and practices established by the Requirements of Audit are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Generally, the financial statements are presented using the flow of current financial resources measurement focus and modified accrual basis of accounting with minor exceptions as mandated by these "Requirements". In addition, the prescribed accounting principles previously referred to differ in certain respects from accounting principles generally accepted in the United States of America applicable to local government units. The more significant differences are explained in this Note.

In accordance with the "Requirements", the Borough of West Wildwood accounts for its financial transactions through the use of separate funds which are described as follows:

Current Fund - The Current Fund accounts for resources and expenditures for governmental operations of a general nature, including Federal and State grant funds.

Trust Funds - The various Trust Funds account for receipts, custodianship and disbursement of funds in accordance with the purpose for which each reserve was created.

General Capital Fund - The General Capital Fund accounts for receipt and disbursement of funds for the acquisition of general capital facilities, other than those acquired in the Current Fund.

Water / Sewer Utility Operating and Capital Funds - The Sewer Utility Operating and Capital Funds account for the operations and acquisition of capital facilities of the municipally owned Sewer Utility.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Budgets and Budgetary Accounting - The Borough of West Wildwood must adopt an annual budget for its current and water / sewer utility funds in accordance with N.J.S.A. 40A:4 et seq. N.J.S.A. 40A:4-5 requires the governing body to introduce and approve the annual municipal budget no later than February 10 of each year. At introduction, the governing body shall fix the time and place for a public hearing on the budget and must advertise the time and place at least ten days prior to the hearing in a newspaper published and circulating in the municipality. The public hearing must not be held less than twenty-eight days after the date the budget was introduced. After the hearing has been held, the governing body may, by majority vote, adopt the budget or may amend the budget in accordance with N.J.S.A. 40A:4-9. Amendments to adopted budgets, if any, are detailed in the statements of revenues and expenditures.

An extension of the statutory dates for introduction, approval and adoption of the municipal budget may be granted by the Director of the Division of Local Government Services, with the permission of the Local Finance Board.

Budgets are adopted on the same basis of accounting utilized for the preparation of the Borough's financial statements.

Cash, Cash Equivalents and Investments - Cash and cash equivalents include petty cash, change funds and cash on deposit with public depositories. All certificates of deposit are recorded as cash regardless of the date of maturity. Investments are stated at cost. Consequently, unrealized gain or loss on investments has not been recorded in accordance with Governmental Accounting Standards Board Statement No. 31.

New Jersey municipal units are required by N.J.S.A. 40A:5-14 to deposit public funds in a bank or trust company having its place of business in the State of New Jersey and organized under the laws of the United States or of the State of New Jersey or in the New Jersey Cash Management Fund. N.J.S.A. 40A:5-15.1 provides a list of investments which may be purchased by New Jersey municipal units. In addition, other State statutes permit investments in obligations issued by local authorities and other state agencies.

N.J.S.A. 17:9-41 et seq. establishes the requirements for the security of deposits of governmental units. The statute requires that no governmental unit shall deposit public funds in a public depository unless such funds are secured in accordance with the Governmental Unit Deposit Protection Act ("GUDPA"), a multiple financial institutional collateral pool, which was enacted in 1970 to protect governmental units from a loss of funds on deposit with a failed banking institution in New Jersey. Public depositories include State or federally chartered banks, savings banks or associations located in or having a branch office in the State of New Jersey, the deposits of which are federally insured. All public depositories must pledge collateral, having a market value at least equal to five percent of the average daily balance of collected public funds, to secure the deposits of Governmental Units. If a public depository fails, the collateral it has pledged, plus the collateral of all other public depositories, is available to pay the amount of their deposits to the Governmental Units.

The cash management plan adopted by the Borough of West Wildwood requires it to deposit funds in public depositories protected from loss under the provisions of the Act.

Interfunds - Interfund receivables and payables that arise from transactions between funds are recorded by all funds affected by such transactions in the period in which the transaction is executed. Interfund receivables in the Current Fund are recorded with offsetting reserves which are created by charges to operations. Income is recognized in the year the receivables are liquidated. Interfund receivables in the other funds are not offset by reserves.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Inventories of Supplies - The costs of inventories of supplies for all funds are recorded as expenditures at the time individual items are purchased. The costs of inventories are not included on the various statements of assets, liabilities, reserves and fund balance.

General Fixed Assets - Accounting for Governmental Fixed Assets, as required by N.J.A.C. 5:30-5.6, differs in certain respects from accounting principles generally accepted in the United States of America. In accordance with the regulations, all local units, including municipalities, must maintain a general fixed assets reporting system that establishes and maintains a physical inventory of nonexpendable, tangible property as defined and limited by the U.S. Office of Management and Budget Circular A-87 (Attachment B, Section 19), except that the useful life of such property is at least five years. The Borough has adopted a capitalization threshold of \$5,000, the maximum amount allowed by the Circular. Generally, assets are valued at historical cost; however, assets acquired prior to December 31, 1985 are valued at actual historical cost or estimated historical cost. No depreciation of general fixed assets is recorded. Donated general fixed assets are recorded at their estimated fair market value on the acquisition date. Interest costs relative to the acquisition of general fixed assets are recorded as expenditures when paid. Public domain ("infrastructure") general fixed assets consisting of certain improvements such as roads, bridges, curbs and gutters, streets and sidewalks and drainage systems are not capitalized. Expenditures for construction in progress are recorded in the Capital Funds until such time as the construction is completed and put into operation. The Borough is required to maintain a subsidiary ledger detailing fixed assets records to control additions, retirements and transfers of fixed assets. In addition, a Statement of General Fixed Assets, reflecting the activity for the year, must be included in the Borough's basic financial statements.

The regulations require that general fixed assets, whether constructed or acquired through purchase, grant or gift be included in the aforementioned inventory. In addition, property management standards must be maintained that includes accurate records indicating asset description, source, ownership, acquisition cost and date, the percentage of Federal participation (if any), and the location, use, and condition of the asset. Periodically, physical inventories must be taken and reconciled with these records. Lastly, all fixed assets must be adequately controlled to safeguard against loss, damage or theft.

Utility Fixed Assets - Property and equipment purchased by a utility fund are recorded in the utility capital account at cost and are adjusted for disposition and abandonment. The amounts shown do not represent replacement cost or current value. The Reserve for Amortization and Deferred Reserve for Amortization accounts in the utility capital fund represent charges to operations for the cost of acquisition of property and equipment and improvements and contributed capital.

Foreclosed Property - Foreclosed property is recorded in the Current Fund at the assessed valuation when such property was acquired and is fully reserved. Ordinarily it is the intention of the municipality to resell foreclosed property in order to recover all or a portion of the delinquent taxes or assessments and to return the property to a taxpaying basis. For this reason the value of foreclosed property has not been included in the General Fixed Assets Account Group. If such property is converted to a municipal use, it will be recorded in the General Fixed Assets Account Group.

Deferred Charges - The recognition of certain expenditures is deferred to future periods. These expenditures, or deferred charges, are generally overexpenditures of legally adopted budget appropriations or emergency appropriations made in accordance with N.J.S.A. 40A:4-46 et seq. Deferred charges are subsequently raised as items of appropriation in budgets of succeeding years.

Liens Sold for Other Governmental Units - Liens sold on behalf of other governmental units are not recorded on the records of the tax collector until such liens are collected. Upon their collection, such liens are recorded as a liability due to the governmental unit net of the costs of the initial sale. The related costs of sale are recognized as revenue when received.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTD)

Fund Balance - Fund Balances included in the current fund and utility operating fund represent amounts available for anticipation as revenue in future years budgets, with certain restrictions.

Revenues - Revenues are recorded when received in cash except for certain amounts which are due from other governmental units. Revenue from Federal and State grants are realized when anticipated as such in the Borough's budget. Receivables for property taxes are recorded with offsetting reserves on the statement of assets, liabilities, reserves and fund balance of the Borough's Current Fund; accordingly, such amounts are not recorded as revenue until collected. Other amounts that are due the Borough which are susceptible to accrual are also recorded as receivables with offsetting reserves and recorded as revenue when received.

Property Tax Revenues - Property tax revenues are collected in quarterly installments due February 1, May 1, August 1, and November 1. The amount of tax levied includes not only the amount required in support of the Borough's annual budget, but also the amounts required in support of the budgets of the County of Cape May and the Borough of West Wildwood School District. Unpaid property taxes are subject to tax sale in accordance with the statutes.

School Taxes - The municipality is responsible for levying, collecting and remitting school taxes for the Borough of West Wildwood School District. Operations are charged for the full amount required to be raised from taxation to operate the local school district for the period from January 1 to December 31.

County Taxes - The municipality is responsible for levying, collecting and remitting county taxes for the County of Cape May. Operations is charged for the amount due the County for the year, based upon the rates required to be certified to the County Board of Taxation by January 10 of the current year. In addition, operations is charged for the County share of Added and Omitted Taxes certified to the County Board of Taxation by October 10 of the current year and due to be paid to the County by February 15 of the following year.

Reserve for Uncollected Taxes - The inclusion of the "Reserve for Uncollected Taxes" appropriation in the Borough's annual budget protects the Borough from taxes not paid currently. The Reserve, the minimum amount of which is determined on the percentage of collections experienced in the immediate preceding year, with certain exceptions, is required to provide assurance that cash collected in the current year will provide sufficient cash flow to meet expected obligations.

Expenditures - Expenditures are recorded on the "budgetary" basis of accounting. Generally, expenditures are recorded when paid. However, for charges to amounts appropriated for "other expenses", an amount is encumbered through the issuance of a numerically controlled purchase order or when a contract is executed in accordance with N.J.A.C. 5:30-5.2. When encumbered charges are paid, the amount encumbered is simultaneously liquidated in its original amount. Encumbrances are offset by an account entitled reserve for encumbrances. The reserve is classified as a cash liability under New Jersey municipal accounting. At December 31, this reserve represents the portion of appropriation reserves that has been encumbered and is subject to the same statutory provisions as appropriation reserves.

Appropriations for principal payments on outstanding general capital and utility bonds and notes are provided on the cash basis; interest on general capital indebtedness is on the cash basis; whereas interest on utility indebtedness is on the accrual basis.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTD)

Appropriation Reserves - Appropriation reserves covering unexpended appropriation balances are automatically created at year-end and recorded as liabilities, except for amounts which may be canceled by the governing body. Appropriation reserves are available, until lapsed at the close of the succeeding year, to meet specific claims, commitments or contracts incurred during the preceding fiscal year. Lapsed appropriation reserves are recorded as income.

Long-Term Debt - Long-Term Debt, relative to the acquisition of capital assets, is recorded as a liability in the General Capital and Utility Capital Funds. Where an improvement is a "local improvement", i.e. assessable upon completion, long-term debt associated with that portion of the cost of the improvement to be funded by assessments is transferred to the Trust Fund upon the confirmation of the assessments or when the improvement is fully and permanently funded.

Compensated Absences and Postemployment Benefits - Compensated absences for vacation, sick leave and other compensated absences are recorded and provided for in the annual budget in the year in which they are paid, on a pay-as-you-go basis. Likewise, no accrual is made for postemployment benefits, if any, which are also funded on a pay-as-you-go basis.

Note 2: CASH AND CASH EQUIVALENTS

Custodial Credit Risk Related to Deposits - Custodial credit risk is the risk that, in the event of a bank failure, the Borough's deposits might not be recovered. Although the Borough does not have a formal policy regarding custodial credit risk, N.J.S.A. 17:9-41 et seq. requires that governmental units shall deposit public funds in public depositories protected from loss under the provisions of the Governmental Unit Deposit Protection Act (GUDPA). Under the Act, the first \$250,000 of governmental deposits in each insured depository is protected by the Federal Deposit Insurance Corporation (FDIC). Public funds owned by the municipality in excess of FDIC insured amounts are protected by GUDPA. However, GUDPA does not protect intermingled trust funds such as salary withholdings, bail funds, or funds that may pass to the municipality relative to the happening of a future condition. Such funds are shown as Uninsured and Uncollateralized in the schedule below.

As of December 31, 2010, none of the Borough's bank balances of \$1,624,164.51 were exposed to custodial credit risk.

Note 3: PROPERTY TAXES

The following is a five-year comparison of certain statistical information relative to property taxes and property tax collections for the current and previous four years.

	<u>2010</u>	<u>2009</u>	<u>2008</u>	<u>2007</u>	<u>2006</u>
Tax Rate	\$ 1.22	\$ 1.17	\$ 1.45	\$ 1.44	\$ 1.44
Apportionment of Tax Rate:					
Municipal	0.528	0.405	0.695	0.684	0.682
County	0.211	0.238	0.271	0.259	0.236
Local School	0.480	0.528	0.487	0.497	0.522

Note 3: PROPERTY TAXES (CONT'D)Assessed Valuation

2010	\$ 263,300,975.00
2009	273,542,044.00
2008	219,431,624.00
2007	214,772,552.00
2006	206,431,507.00

Comparison of Tax Levies and Collections

<u>Year</u>	<u>Tax Levy</u>	<u>Collections</u>	<u>Percentage of Collections</u>
2010	\$ 3,211,296.64	\$ 2,983,422.01	92.90%
2009	3,205,226.59	2,971,901.29	92.72%
2008	3,207,173.17	3,002,910.36	93.63%
2007	3,142,521.00	2,962,289.00	94.26%
2006	3,041,411.00	2,880,452.00	94.71%

Delinquent Taxes and Tax Title Liens

<u>Year</u>	<u>Tax Title Liens</u>	<u>Delinquent Taxes</u>	<u>Total Delinquent</u>	<u>Percentage of Tax Levy</u>
2010	\$ 32,150.46	\$ 214,409.26	\$ 246,559.72	7.68%
2009	27,887.37	164,695.95	192,583.32	6.01%
2008	18,344.61	188,772.06	207,116.67	6.46%
2007	16,160.00	176,064.00	192,224.00	6.12%
2006	16,201.00	165,814.00	182,015.00	5.98%

The following comparison is made of the number of tax title liens receivable on December 31 of the last five years:

<u>Year</u>	<u>Number</u>
2010	8
2009	7
2008	4
2007	4

Note 4: WATER / SEWER UTILITY SERVICE CHARGES

The following is a five-year comparison of water / sewer utility service charges (rents) for the current and previous four years.

Sewer Utility Service Charges

Year	Balance Beginning of Year			Levy	Total	Cash Collections
	Receivable	Liens				
2010	\$ 48,165.33	-		334,217.60	\$ 382,382.93	\$ 349,687.95
2009	38,864.33	-		395,404.22	434,268.55	393,633.88
2008	60,357.00	-		496,519.00	556,876.00	518,011.67
2007	47,873.00	-		475,327.00	523,200.00	463,575.00
2006	29,540.00	-		453,820.00	483,360.00	427,706.00

Water Utility Service Charges

Year	Balance Beginning of Year			Levy	Total	Cash Collections
	Receivable	Liens				
2010	\$ 3,529.38	-		404.59	\$ 3,933.97	\$ 3,388.77
2009	11,792.47	-		269,597.85	281,390.32	93,073.87
2008	44,890.00	-		243,015.60	287,905.60	276,113.13
2007	29,069.00	-		300,424.00	329,493.00	285,336.00
2006	15,591.00	-		208,867.00	224,458.00	196,110.00

Note 5: FUND BALANCES APPROPRIATED

The following schedule details the amount of fund balances available at the end of the current year and four previous years and the amounts utilized in the subsequent year's budgets.

Year	Balance Dec. 31	Utilized In Budget of Succeeding Year	Percentage of Fund Balance Used
Current Fund			
2010	\$ 422,193.75	\$ 156,572.00	37.09%
2009	929,693.75	575,000.00	61.85%
2008	892,981.14	275,000.00	30.80%
2007	960,525.00	343,000.00	35.71%
2006	895,150.00	350,000.00	39.10%
Water/Sewer Operating Fund			
2010	\$ 64,867.13	\$ 59,560.07	91.82%
2009	165,367.13	100,500.00	60.77%
2008	146,105.00		0.00%
2007	53,118.00	26,325.00	49.56%
2006	24,852.00		0.00%

Note 6: INTERFUND RECEIVABLES AND PAYABLES

The following interfund balances were recorded on the various statements of assets, liabilities, reserves and fund balance as of December 31, 2010:

	<u>Interfunds Receivable</u>	<u>Interfunds Payable</u>
Current Fund	\$ 495,621.41	\$ 23,685.93
Federal and State Grant Fund	23,685.93	
Dog License Fund		2,269.16
Trust-Other Funds		31,835.46
General Capital Fund		290,746.95
Water/Sewer Utility Operating Fund		109,924.54
Water/Sewer Utility Capital Fund	<u>4,154.70</u>	<u>65,000.00</u>
	<u>\$ 523,462.04</u>	<u>\$ 523,462.04</u>

Note 7: PENSION PLANS

The Borough of West Wildwood contributes to two cost-sharing multiple-employer defined benefit pension plans, the Public Employees' Retirement System (PERS) and the Police and Firemen's Retirement System (PFRS), which are administered by the New Jersey Division of Pensions and Benefits. In addition, certain employees can participate in the Defined Contribution Retirement Program (DCRP), which is a defined contribution pension plan and is also administered by the New Jersey Division of Pensions and Benefits. As of December 31, 2010, there are no employees participating in the DCRP. Each plan has a Board of Trustees that is primarily responsible for its administration. The Division issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to:

State of New Jersey
Division of Pensions and Benefits
P.O. Box 295
Trenton, New Jersey 08625-0295

Public Employees' Retirement System - The PERS was established in 1955. The PERS provides retirement, death, and disability, and medical benefits to qualified members. Vesting and benefit provisions are established by N.J.S.A. 43:15A and 43:3B.

The contribution requirements of plan members are determined by State statute. In accordance with Chapter 62, P.L. 1994, plan members enrolled in the Public Employees' Retirement System were required to contribute 5% of their annual covered salary. Effective July 1, 2008, however, in accordance with Chapter 92, P.L. 2007 and Chapter 103, P.L. 2007, plan members are required to contribute 5.5% of their annual covered salary. For employees enrolled in the retirement system prior to July 1, 2008, the increase is effective with the payroll period that begins immediately after July 1, 2008. The State Treasurer has the right under the current law to make temporary reductions in member rates based on the existence of surplus pension assets in the retirement system; however, the statute also requires the return to the normal rate when such surplus pension assets no longer exist.

Note 7: PENSION PLANS (CONT'D)

The Borough is billed annually for its normal contribution plus any accrued liability. These contributions, equal to the required contributions, were as follows:

<u>Year</u>	<u>Normal Contribution</u>	<u>Accrued Liability</u>	<u>Total Liability</u>	<u>Funded by State</u>	<u>Paid by Borough</u>
2010	\$17,432.00	\$ 17,009.00	\$34,441.00		\$34,441.00
2009	25,463.00	16,472.00	41,935.00		41,935.00
2008	14,148.00	10,903.00	25,051.00	\$ 5,010.20	20,040.80 (1)

Police and Firemen's Retirement System - The PFRS was established in 1944. The PFRS provides retirement, death, and disability, and medical benefits to qualified members. Vesting and benefit provisions are established by N.J.S.A. 43:16A and 43:3B.

The contribution requirements of plan members are determined by State statute. In accordance with Chapter 204, P.L. 1989, plan members enrolled in the Police and Firemen's Retirement System are required to contribute 8.5% of their annual covered salary. The State Treasurer has the right under the current law to make temporary reductions in member rates based on the existence of surplus pension assets in the retirement system; however, statute also requires the return to the normal rate when such surplus pension assets no longer exist.

The Borough is billed annually for its normal contribution plus any accrued liability. These contributions, equal to the required contributions, were as follows:

<u>Year</u>	<u>Normal Contribution</u>	<u>Accrued Liability</u>	<u>Total Liability</u>	<u>Funded by State</u>	<u>Paid by Borough</u>
2010	\$35,213.00	\$ 23,078.00	\$58,291.00		\$58,291.00
2009	17,357.00	15,832.00	33,189.00		33,189.00
2008	22,693.00	13,410.00	36,103.00		36,103.00

Defined Contribution Retirement Program - The Defined Contribution Retirement Program (DCRP) is a cost-sharing multiple-employer defined contribution pension fund which was established in 2007, under the provisions of Chapter 92, P.L. 2007 and Chapter 103, P.L. 2007 (N.J.S.A. 43:15C-1 et. seq.) and expanded under the provisions of Chapter 89, P.L. 2008 and Chapter 1, P.L. 2010. The DCRP provides eligible members, and their beneficiaries, with a tax-sheltered, defined contribution retirement benefit, along with life insurance and disability coverage. Vesting and benefit provisions are established by N.J.S.A. 43:15C-1 et. seq.

The contribution requirements of plan members are determined by State statute. In accordance with Chapter 92, P.L. 2007 and Chapter 103, P.L. 2007, plan members are required to contribute 5.5% of their annual covered salary. In addition to the employee contributions, the Borough's contribution amounts for each pay period are transmitted to Prudential Financial not later than the fifth business day after the date on which the employee is paid for that pay period.

As of December 31, 2010, no employees of the Borough participate in the DCRP plan.

Related Party Investments - The Division of Pensions and Benefits does not invest in securities issued by the Borough.

(1) Under the provisions of Chapter 108, P.L. 2003 the Borough's share of the total normal contribution and accrued liability will increase approximately 20% per year until the Borough is paying 100% of the total normal contribution and accrued liability.

Note 8: OTHER POST EMPLOYMENT BENEFITS

Plan Description - The Borough contributes to the State Health Benefits Program (SHBP), a cost-sharing, multiple-employer defined benefit post-employment healthcare plan administered by the State of New Jersey Division of Pensions and Benefits. SHBP was established in 1961 under N.J.S.A. 52:14-17.25 et seq., to provide health benefits to State employees, retirees, and their dependents. Rules governing the operation and administration of the program are found in Title 17, Chapter 9 of the New Jersey Administrative Code. SHBP provides medical, prescription drugs, mental health/substance abuse, and Medicare Part B reimbursement to retirees and their covered dependents.

The SHBP was extended to employees, retirees, and dependents of participating local public employers in 1964. Local employers must adopt a resolution to participate in the SHBP. Several years ago, the Borough authorized participation in the SHBP's post-retirement benefit program through a resolution adopted under Chapter 88. Under the plan, any employee eligible for enrollment in the SHBP as an employee is eligible for 100% employer paid coverage when retiring with 25 years or more of service to the Borough of Stratford or any other local unit. In each of these cases, the employee's spouse, civil union partner and dependents are also covered 100% and this coverage continues when the retiree is deceased.

The State Health Benefits Commission is the executive body established by statute to be responsible for the operation of the SHBP. The State of New Jersey Division of Pensions and Benefits issues a publicly available financial report that includes financial statements and required supplementary information for the SHBP. That report may be obtained by writing to: State of New Jersey Division of Pensions and Benefits, P.O. Box 295, Trenton, NJ 08625-0295 or by visiting their website at www.state.nj.us/treasury/pensions/.

Funding Policy - Participating employers are contractually required to contribute based on the amount of premiums attributable to their retirees. Post-retirement medical benefits under the plan have been funded on a pay-as-you-go basis since 1994. Prior to 1994, medical benefits were funded on an actuarial basis.

Contributions to pay for the health premiums of participating retirees in the SHBP are billed to the Borough on a monthly basis. The Borough funds these benefits on a pay-as-you-go basis and therefore does not record accrued expenses related to these benefits.

The Borough's contributions to SHBP for the year ended December 31, 2010 were \$8,201.05, which equaled the required contributions for the year. The 2010 year was the first year the Borough made contributions for retired employees. For the year ended December 31, 2010, the Borough had 2 employees for which they were making contributions.

Note 9: COMPENSATED ABSENCES

Full-time employees are entitled to twelve paid sick leave days each year. Unused sick leave may be accumulated and carried forward to the subsequent year up to a maximum of 120 days. Vacation days not used during the year may be only carried over into the following year. These policies cover non-union and union employees to the extent that their collective bargaining agreements to do not cover these issues.

The Borough of West Wildwood compensates employees for unused sick leave upon termination or retirement. The current policy provides that upon separation of service in good standing from the Borough, employees may either utilize or sell back to the Borough, at the then current rate of pay of the employee, up to fifty percent (50%) of the employee's unused accumulated sick days up to a maximum of ten thousand (\$10,000) dollars.

The Borough does not record accrued expenses related to compensated absences. However, it is estimated that, at December 31, 2010, accrued benefits for compensated absences are valued at \$77,885.81.

Note 10: DEFERRED COMPENSATION SALARY ACCOUNT

The Borough offers its employees a Deferred Compensation Plan in accordance with Internal Revenue Code Section 457 which has been approved by the Director of the Division of Local Government Services. The Plan, available to all full time employees at their option, permits employees to defer a portion of their salary to future years. The deferred compensation is not available to participants until termination, retirement, death or unforeseeable emergency.

Amounts deferred under Section 457 plans must be held in trust for the exclusive benefit of participating employees and not be accessible by the Borough or its creditors. Since the Borough does not have a fiduciary relationship with the Plan, the balances and activities of the Plan are not reported in the Borough's financial statements.

2036-2038	137,497.54	9,335.81
	<u>\$ 2,163,620.09</u>	<u>\$ 1,543,795.73</u>

Note 12: DEFERRED CHARGES TO BE RAISED IN SUCCEEDING BUDGETS

Certain expenditures are required to be deferred to budgets of succeeding years. At December 31, 2010, the following deferred charges are shown on the statement of assets, liabilities, reserves and fund balance of the following fund(s):

	<u>Balance Dec. 31, 2010</u>	<u>2011 Budget Appropriation</u>
Current Fund:		
Emergency Authorizations (40A:4-47)	\$ 119,130.00	\$ 119,130.00
Deficit in Operations	49,233.59	49,233.59
Overexpenditure of Appropriation Reserves	1,110.58	1,110.58
Overexpenditure of Appropriations Federal and State Grant Fund:	83,320.23	83,320.23
Overexpenditure of Appropriated Reserve	<u>301.00</u>	<u>301.00</u>
	<u>253,095.40</u>	<u>253,095.40</u>
Utility Fund:		
Deficit in Operations	<u>2,948.97</u>	<u>2,125.46</u>
Total Deferred Charges	<u>\$ 256,044.37</u>	<u>\$ 255,220.86</u>

The appropriations in the 2011 Budget as adopted were less than required by statutes for the Utility Fund. For the Current Fund, the 2011 budget appropriations are not less than that required by statutes.

Note 13: JOINT INSURANCE POOL

The Borough of West Wildwood is a member of the Atlantic County Municipal Joint Insurance Fund. The Fund provides its members with the following coverage:

Workers' Compensation and Employer's Liability
Liability other than Motor Vehicles
Property Damage other than Motor Vehicles
Motor Vehicles
Public Employee and Public Official Dishonesty Bonds
Boiler and Machinery
Environmental Liability

Contributions to the Fund, including a reserve for contingencies, are payable in two installments and are based on actuarial assumptions determined by the Fund's actuary. The Commissioner of Insurance may order additional assessments to supplement the Fund's claim, loss retention or administrative accounts to assure the payment of the Fund's obligations.

Note 13: JOINT INSURANCE POOL (CONT'D)

Contributions to the Fund, are payable in an annual premium and is based on actuarial assumptions determined by the Fund's actuary. The Borough's agreement with the pool provides that the pool will be self-sustaining through member premiums and will reinsure through the Municipal Excess Liability Joint Insurance Fund for claims in excess of \$50,000 to \$200,000 based on the line of coverage for each insured event.

The Fund publishes its own financial report for the year ended December 31, 2010, which can be obtained from:

Atlantic County Municipal Joint Insurance Fund
Greentree Centre/525 Lincoln Drive West
P.O. Box 489
Marlton, New Jersey 08053

Note 14: NEW JERSEY UNEMPLOYMENT COMPENSATION INSURANCE

The Borough has elected to fund its New Jersey Unemployment Compensation Insurance under the "Benefit Reimbursement Method". Under this plan, the Borough is required to reimburse the New Jersey Unemployment Trust Fund for benefits paid to its former employees and charged to its account with the State. The Borough is billed quarterly for amounts due to the State. The following is a summary of Borough contributions, reimbursements to the State for benefits paid and the ending balance of the Borough's trust fund for the current and previous two years:

<u>Year</u>	<u>Borough Contributions</u>	<u>Amounts Reimbursed</u>	<u>Ending Balance</u>
2010	\$ 33,992.85	\$ 26,012.58	\$ 9,224.66
2009	30,711.43 (1)	32,427.34 (1)	1,244.39
2008	10,043.57	36,318.27	2,960.30

It is estimated that there are no unreimbursed payments on behalf of the Borough at December 31, 2010.

(1) The Current Fund paid and was reimbursed the amounts from unemployment, thus the transactions did not go through the Borough's Unemployment Trust Fund.

Note 15: LITIGATION

The Borough is a defendant in several legal proceedings that are in various stages of litigation. It is believed that the outcome, or exposure to the Borough, from such litigation is either unknown or potential losses, if any, would not be material to the financial statements.

BOROUGH OF WEST WILDWOOD

PART 2

SCHEDULE OF FINDINGS AND RECOMMENDATIONS

FOR THE YEAR ENDED DECEMBER 31, 2010

14600

BOROUGH OF WEST WILDWOOD
Schedule of Findings and Recommendations
For the Year Ended December 31, 2010

Schedule of Financial Statement Findings

This section identifies the significant deficiencies, material weaknesses, and instances of noncompliance related to the financial statements that are required to be reported in accordance with Government Auditing Standards and with audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey.

Finding No. 2010-1

Criteria or Specific Requirement

Good internal control practices require that bank reconciliations have all of its outstanding items addressed and accounted for in a timely manner. As such, bank reconciliations should not have items reconciling to the balance per the bank sans deposits in transit and outstanding checks. Also, good internal control practices dictate that a complete and accurate general ledger should be maintained for each fund to ensure adequate control over the preparation of financial statements including the related footnotes.

Condition

The Borough's bank reconciliations are not complete and accurate. Also, the Borough's maintenance of the general ledger was not on a current basis.

Context

The auditor's review of monthly bank reconciliations revealed that differences between the book balance and bank balance were not being properly addressed on a monthly basis. Also, the auditor's review of the general ledger revealed that revenues and expenditures were not being posted on a timely basis.

Effect

Without proper internal controls over the preparation of bank reconciliations, adjustments that have no bearing on the financial position of the Borough could be added or deducted to reconcile the bank balance to the general ledger balance. Also, without a properly maintained general ledger system, the immediate and current identification of assets, liabilities, revenues, expenditures and fund balance cannot be achieved.

Cause

Without the timely recording of transactions in the general ledger, the carrying of and creation of adjustments are needed to reconcile to the bank balance each month. The general ledger was not being reviewed monthly for accuracy.

Recommendation

The Borough should establish proper internal controls over the preparation of complete and accurate bank reconciliations. Also, the Borough should maintain the general ledger accurately and completely on a timely basis.

View of Responsible Officials and Planned Corrective Action

The responsible officials agree with the finding and will address the matter as part of their corrective action plan.

BOROUGH OF WEST WILDWOOD
Schedule of Findings and Recommendations
For the Year Ended December 31, 2010

Schedule of Financial Statement Findings (Cont'd)

Finding No. 2010-2

Criteria or Specific Requirement

All local units shall have and maintain a fixed assets accounting and reporting system that establishes and maintains a physical inventory of fixed assets, places values on those assets and be maintained in detail to record additions, retirements and transfers in accordance with N.J.A.C. 5:30-5.6.

Condition

The Borough does not have a complete and accurate fixed asset listing.

Context

A review of the client's fixed assets records revealed that the listing was incomplete and had not been updated recently.

Effect

Without proper internal controls established concerning fixed assets or a complete and accurate fixed asset listing a misappropriation of assets could be more easily perpetrated and concealed.

Cause

The fixed asset listing of the Borough over the years has not been maintained and thus does not reflect the correct property and historical costs of the Borough's assets.

Recommendation

The Borough should establish a complete and accurate schedule of fixed assets and then establish adequate internal controls over maintaining the schedule concerning their addition, retirement and transfer.

View of Responsible Officials and Planned Corrective Action

The responsible officials agree with the finding and will address the matter as part of their corrective action plan.

BOROUGH OF WEST WILDWOOD
Schedule of Findings and Recommendations
For the Year Ended December 31, 2010

Schedule of Financial Statement Findings (Cont'd)

Finding No. 2010-3

Criteria or Specific Requirement

New Jersey Laws and regulations require a legal appropriation prior to commitment of expenditure of the Borough's funds.

Condition

The Borough had overexpenditures in various budget line-items, appropriation reserves and the federal and state grant fund.

Context

A review of the Borough's budget to expenditures revealed overexpenditures in various budget line-items from the 2010 budget by \$83,320.23, 2009 Appropriation Reserve budget line-item by \$1,110,58 and a federal and state grant by \$301.00.

Effect

The Borough is not in compliance with the New Jersey laws and regulations covering budgeting and expending of Borough funds.

Cause

There was a failure to have effective controls in place over budgeting for appropriations and expending funds from the Borough's appropriations.

Recommendation

That the Borough establish effective controls over budgeting and over expenditures to assure that a legal appropriation is sufficient to cover expenditure prior to the commitment and or disbursement of funds.

View of Responsible Officials and Planned Corrective Action

The responsible officials agree with the finding and will address the matter as part of their corrective action plan.

BOROUGH OF WEST WILDWOOD
Schedule of Findings and Recommendations
For the Year Ended December 31, 2010

Schedule of Financial Statement Findings (Cont'd)

Finding No. 2010-4

Criteria or Specific Requirement

In accordance with N.J.S.A. 4:19-15.11, monthly dog license reports and state fees should be turned over to the State Department of Health within 30 days of collection.

Condition

The Borough did not file dog license reports with the State of New Jersey or remit amounts due to the State of New Jersey for dog licenses issued during the 2010 year.

Context

The auditor's review of dog license reports and remittances to the State Department of Health revealed that the Borough had not filed or remitted dog license reports or fees during 2010.

Effect

The Borough is not in compliance with state dog license requirements.

Cause

There was a failure to have effective controls in place over the preparation and filing of monthly dog license reports and remittance of fees to the State Department of Health.

Recommendation

The Borough should establish proper internal controls over the filing of dog license reports and the remittance of dog license fees to the State Department of Health.

View of Responsible Officials and Planned Corrective Action

The responsible officials agree with the finding and will address the matter as part of their corrective action plan.

BOROUGH OF WEST WILDWOOD
Schedule of Findings and Recommendations
For the Year Ended December 31, 2010

Schedule of Financial Statement Findings (Cont'd)

Finding No. 2010-5

Criteria or Specific Requirement

The Borough's purchases should have proper supporting documentation, required signatures and approval at the monthly meetings.

Condition

Throughout testing of disbursements, the following conditions were revealed:

- 1) There were several vouchers in which supporting documentation could not be provided.
- 2) There were several vouchers that did not have all required signatures.
- 3) All the monthly meeting minutes were not properly approved and all approvals for the payment of claims were not recorded in the minutes.

Context

Of 68 samples selected by the auditor, it was noted that 7 purchases did not have proper supporting documentation and 3 purchases were missing required signatures. Also, the auditor's review of the Borough's minutes revealed that three months minutes were not properly approved and the payment of claims properly addressed.

Effect

Without proper internal controls over the aspects of the purchasing cycle, fraudulent and unknown purchases could occur without the Borough's knowledge.

Cause

The lack of adequate internal controls over the proper procedures over the retention of supporting documentation for purchases, obtaining required signatures on purchase vouchers and the approval of the Borough's monthly minutes and payment of claims.

Recommendation

That the Borough establish adequate internal controls over the retention of supporting documentation for purchases and over obtaining the proper required authorization of each purchase voucher. The Borough should also establish internal controls over the approval of monthly minutes along with the approval and recording of the payment of claims.

View of Responsible Officials and Planned Corrective Action

The responsible officials agree with the finding and will address the matter as part of their corrective action plan.

BOROUGH OF WEST WILDWOOD
Schedule of Findings and Recommendations
For the Year Ended December 31, 2010

Schedule of Financial Statement Findings (Cont'd)

Finding No. 2010-6

Criteria or Specific Requirement

In accordance with the State Ethics Commission, the Borough should have all members of the governing body complete a financial disclosure form.

Condition

The Borough did not have all required financial disclosure forms on file for 2010.

Context

The auditor's review of financial disclosure forms for 2010 revealed that various members of the Borough did not complete financial disclosure forms.

Effect

The Borough is not in compliance with the State Ethics Commission.

Cause

The Borough's lack of internal controls over the filing and retention of financial disclosure forms.

Recommendation

The Borough should establish proper internal controls over the preparation and retention of financial disclosure forms.

View of Responsible Officials and Planned Corrective Action

The responsible officials agree with the finding and will address the matter as part of their corrective action plan.

BOROUGH OF WEST WILDWOOD
Schedule of Findings and Recommendations
For the Year Ended December 31, 2010

Schedule of Financial Statement Findings (Cont'd)

Finding No. 2010-7

Criteria or Specific Requirement

Good internal control practices require that interfunds be liquidated prior to the end of the year and there be no deficits in operations.

Condition

During the year, there were large interfunds created with the current fund that led to a deficit in operations. In addition, in the water / sewer operating fund, there was also a deficit in operations.

Context

The auditor noted that a large amount of interfunds existed between the current fund and various other funds that led to the creation of interfund reserves in the amount of \$438,103.19. Also, it was noted that a deficit in operations existed in the water / sewer fund in the amount of \$2,948.97.

Effect

Without the proper internal controls over the liquidating of interfunds at year-end and the review of the results of operations, the Borough will be required to raise the deficit in operations for both the current and utility fund in the subsequent year's budget.

Cause

The lack of internal controls over the liquidation of interfunds throughout the year and at year-end led to the creation of large interfund reserves in the current fund.

Recommendation

That the Borough establish effective controls over the liquidation of interfunds throughout the year and at year-end. Also, that the Borough review the results of operations on a regular basis, so as to address any deficits that might be created from interfunds.

View of Responsible Officials and Planned Corrective Action

The responsible officials agree with the finding and will address the matter as part of their corrective action plan.

BOROUGH OF WEST WILDWOOD
Summary Schedule of Prior Year Audit Findings
And Recommendations as Prepared by Management

This section identifies the status of prior year findings related to the financial statements that are required to be reported in accordance with Government Auditing Standards.

FINANCIAL STATEMENT FINDINGS

Finding No. 2009-1

Condition

The Borough's bank reconciliations are not complete and accurate.

Current Status

This condition still exists as reported in Finding No. 2010-1.

Planned Corrective Action

All bank reconciliations are complete and accurate.

Finding No. 2009-2

Condition

The Borough does not have a complete and accurate fixed asset listing.

Current Status

This condition still exists as reported in Finding No. 2010-2.

Planned Corrective Action

Fixed assets will be updated for building values.

Finding No. 2009-3

Condition

Through our testing of expenditures, the following conditions were revealed:

- 1) There were several instances in which purchase orders were missing proper authorization.
- 2) The open purchase orders of the Borough were not being reviewed on a timely basis.
- 3) The Borough did not adopt an ordinance for the approval of the payment of claims per N.J.S.A. 40A:5-17a.

Current Status

This condition has been resolved.

14600

**BOROUGH OF WEST WILDWOOD
Summary Schedule of Prior Year Audit Findings
And Recommendations as Prepared by Management**

FINANCIAL STATEMENT FINDINGS (CONT'D)

Finding No. 2009-4

Condition

The Borough overexpended a budget line-item from the 2009 budget by \$9,712.14.

Current Status

This condition still exists as reported in Finding No. 2010-3.

Planned Corrective Action

All expenditures have sufficient budgeted legal appropriations.

BOROUGH OF WEST WILDWOOD
