Ms. Czwalina questioned the progress of the police department ramp. Comm. Segrest stated it is currently on hold due to funding reimbursement and will report on it next month. Ms. Czwalina stated that both the police ramp and beach ramp are linked together and asked if that is why we have an issue with funds. Comm. DANA SHEPARD, 2 H Avenue, questioned why the school issue topic was brought up after all these years. She doesn't want her son's education put in jeopardy. She asked if any commissioners have children in the school. Mayor Ksiazek stated his daughter went to Margaret Mace. The Mayor stated this report was just finished and was based on data starting in 2017. Mayor Ksiazek stated he read the report

and said there will be hearings at the school board meeting for those to voice their concerns. Ultimately the decision is up to the board of education. Mayor stated he understands the concerns, it is a sensitive topic, but it is not driven by the Mayor or Commissioners. Ms. Shepard asked if the commissioners would sign a petition of support. Mayor stated he will attend the school board meeting and supports hearing everyone's concerns.

SUSAN CZWALINA, 547 W. Maple Avenue, asked if the commissioners have a vote and if the school board meeting could be held via Zoom. Mayor Stated the commissioners do not vote, and it depends on the demand regarding the zoom meeting. Ms. Czwalina stated she does not have any school children and is not a resident but is a taxpayer and asked if she should contact Jud regarding a zoom meeting. Mayor stated she should contact Jud and if there is a zoom link it will not be by the borough clerk or the borough.

Such posting shall invite any interested party to submit comments to the Borough, with a copy to Fair Share Housing Center, regarding whether any sites no longer present a realistic opportunity and should be replaced and whether the mechanisms to meet unmet need should be revised or supplemented. Any interested party may by motion request a hearing before the Superior Court regarding these issues.

In no event shall the Regional Asset Limit be less than that for the previous year

In no event shall the maximum resale price established by the administrative agent be lower than the last recorded purchase price.

Upon the occurrence of a breach of any of the regulations governing an affordable unit by an Owner, Developer or Tenant, the Borough shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, a requirement for household recertification, acceleration of all sums due under a mortgage, recoupment of any funds from a sale in violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.
2. After providing written notice of a violation to an Owner, Developer or Tenant of a low- or moderate-income unit and advising the Owner, Developer or Tenant of the penalties for such violations, the Borough may take the following action(s) against the Owner, Developer or Tenant for any violation that remains uncured for a period of sixty (60) days after service of the written notice:
 - a. The Borough may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation or violations of the regulations governing the affordable housing unit. If the Owner, Developer or Tenant is adjudged by the Superior Court to have violated any provision of the regulations governing affordable housing units the Owner, Developer or Tenant shall be subject to one (1) or more of the following penalties, at the discretion of the Court:

- i. A fine of not more than two thousand dollars (\$2,000.00) per day or imprisonment for a period not to exceed ninety (90) days, or both, provided that each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not a continuation of the initial offense;
 - ii. In the case of an Owner who has rented a very-low, low or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Borough of West Wildwood Affordable Housing Trust Fund of the gross amount of rent illegally collected;
 - iii. In the case of an Owner who has rented a very-low, low or moderate-income unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the Court.
- b. The Borough may file a court action in the Superior Court seeking a judgment that would result in the termination of the Owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any such judgment shall be enforceable as if the same were a judgment of default of the First Purchase Money Mortgage and shall constitute a lien against the low or moderate-income unit.
 - i. The judgment shall be enforceable, at the option of the Borough, by means of an execution sale by the Sheriff, at which time the low and moderate-income unit of the violating Owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any First Purchase Money Mortgage and prior liens and the costs of the enforcement proceedings incurred by the Borough, including attorney's fees. The violating Owner shall have his right to possession terminated as well as his title conveyed pursuant to the Sheriff's sale.
 - ii. The proceeds of the Sheriff's sale shall first be applied to satisfy the First Purchase Money Mortgage lien and any prior liens upon the low- and moderate-income unit. The excess, if any, shall be applied to reimburse the Borough for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the Borough in full as aforesaid, the violating Owner shall be personally responsible for the full extent of such deficiency, in addition to any and all costs incurred by the Borough in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus, if any, shall be placed in escrow by the Borough for the Owner and shall be held in such escrow for a maximum period of two (2) years or until such earlier time as the Owner shall make a claim with the Borough for such. Failure of the Owner to claim such balance within the two (2) year period shall automatically result in a forfeiture of such balance to the Borough. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the Borough, whether such balance shall be paid to the Owner or forfeited to the Borough.

- iii. Foreclosure by the Borough due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as the same apply to the very-low, low and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The Owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.
- iv. If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the First Purchase Money Mortgage and any prior liens, the Borough may acquire title to the very-low, low and moderate-income unit by satisfying the First Purchase Money Mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the First Purchase Money Mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the very-low, low and moderate-income unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess which would have been realized from an actual sale as previously described.
- v. Failure of the very-low, low and moderate-income unit to be either sold at the Sheriff's sale or acquired by the Borough shall obligate the Owner to accept an offer to purchase from any qualified purchaser which may be referred to the Owner by the Borough, with such offer to purchase being equal to the maximum resale price of the very-low, low and moderate-income unit as permitted by the regulations governing affordable housing units.
- vi. The Owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the Owner.

1-137 Appeals.

Appeals from all decisions of an Administrative Agent appointed pursuant to this Section shall be filed in writing with the Superior Court.

Section 2. If any article, section, subsection, sentence, clause or phrase of this Ordinance is, for any reason, held to be unconstitutional or invalid, such decision shall not affect the remaining portions of this Ordinance and they shall remain in full force and effect.

Section 3. In the event of any inconsistencies between the provisions of this Ordinance and any prior ordinance of the Borough of West Wildwood, the provisions hereof shall be

determined to govern. All other parts, portions and provisions of the Revised General Ordinances of the Borough of West Wildwood are hereby ratified and confirmed, except where inconsistent with the terms hereof.

**BOROUGH OF WEST WILDWOOD
COUNTY OF CAPE MAY
STATE OF NEW JERSEY**

ORDINANCE 586(2021)

**AN ORDINANCE REGARDING DEVELOPER FEES REGULATIONS TO
COMPLY WITH CURRENT STATE AFFORDABLE HOUSING REGULATIONS**

BE IT ORDAINED, by the Board of Commissioners of the Borough of West Wildwood, a municipal corporation of New Jersey located in Cape May County thereof, as follows:

SECTION XVI. Of the Land Use Development Ordinance of the Borough of West Wildwood

A. Purpose

1. In Holmdel Builder's Association V. Holmdel Borough, 121 N.J. 550 (1990), the New Jersey Supreme Court determined that mandatory development fees are authorized by the Fair Housing Act of 1985 (the Act), N.J.S.A. 52:27d-301 et seq., and the State Constitution, subject to the Council on Affordable Housing's (COAH's) adoption of rules.
2. Pursuant to P.L.2008, c.46 section 8 (C. 52:27D-329.2) and the Statewide Non-Residential Development Fee Act (C. 40:55D-8.1 through 8.7), COAH is authorized to adopt and promulgate regulations necessary for the establishment, implementation, review, monitoring and enforcement of municipal affordable housing trust funds and corresponding spending plans. Municipalities that are under the jurisdiction of the Council or court of competent jurisdiction and have a COAH-approved spending plan may retain fees collected from non-residential development.
3. In Re: Adoption of N.J.A.C. 5:96 and 5:97 by the New Jersey Council on Affordable Housing, 221 N.J. 1 (2015), also known as the Mount Laurel IV decision, the Supreme Court remanded COAH's duties to the Superior Court. As a result, affordable housing development fee collections and expenditures from the municipal affordable housing trust funds to implement municipal Third Round Fair Share Plans through July 1, 2025 are under the Court's jurisdiction and are subject to approval by the Court.
4. This ordinance establishes standards for the collection, maintenance, and expenditure of development fees pursuant to COAH's regulations and in accordance P.L.2008, c.46, Sections 8 and 32-38. Fees collected pursuant to this ordinance shall be used for the sole purpose of providing low- and moderate-income housing. This ordinance shall be interpreted within the framework of COAH's rules on development fees, codified at N.J.A.C. 5:93-8.

B. Basic requirements

1. This ordinance shall not be effective until the Superior Court approves the Borough's development fee ordinance in accordance with N.J.A.C. 5:93-8.
2. The Borough of West Wildwood shall not spend development fees until the Superior Court has approved a plan for spending such fees in conformance with N.J.A.C. 5:93-8.

C. Definitions

The following terms, as used in this ordinance, shall have the following meanings:

2. “**COAH**” or the “**Council**” means the New Jersey Council on Affordable Housing established under the Act which has primary jurisdiction for the administration of housing obligations in accordance with sound regional planning consideration in the State. Pursuant to the opinion and order of the New Jersey Supreme Court dated March 10, 2015, in the matter of In re Adoption of N.J.A.C. 5:96 and 5:97 by N.J. Council on Affordable Housing, any reference to COAH or the Council shall be understood to refer to the Superior Court of New Jersey, Law Division, Cape May County.

4. “**Developer**” means the legal or beneficial owner or owners of a lot or of any land proposed to be included in a proposed development, including the holder of an option or contract to purchase, or other person having an enforceable proprietary interest in such land.
5. “**Equalized assessed value**” means the assessed value of a property divided by the current average ratio of assessed to true value for the municipality in which the property is situated, as determined in accordance with sections 1, 5, and 6 of P.L.1973, c.123 (C.54:1-35a through C.54:1-35c).
6. “**Green building strategies**” means those strategies that minimize the impact of development on the environment, and enhance the health, safety and well-being of residents by producing durable, low-maintenance, resource-efficient housing while making optimum use of existing infrastructure and community services.

D. Residential Development Fees

1. Imposed fees
 - a. Within all zoning districts, residential developers, the developers of all new development of principal and accessory residential buildings, except for developers of the types of development specifically exempted below, shall pay a fee of one percent (1%) of the equalized assessed value for residential development provided no increased density is permitted.
 - b. When an increase in residential density pursuant to N.J.S.A. 40:55D-70d(5) (known as a “d” variance) has been permitted, developers may be required to pay a development fee of six percent (6%) of the equalized assessed value for each additional unit that may be realized. However, if the zoning on a site has changed during the two-year period preceding the filing of such a variance application, the

base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two-year period preceding the filing of the variance application.

2. Eligible exactions, ineligible exactions, and exemptions for residential development
 - a. Affordable housing developments, developments where the developer is providing for the construction of affordable units elsewhere in the municipality, and developments where the developer has made a payment in lieu of on-site construction of affordable units shall be exempt from development fees.
 - b. Developments that have received preliminary or final site plan approval prior to the adoption of a municipal development fee ordinance shall be exempt from development fees, unless the developer seeks a substantial change in the approval. Where a site plan approval does not apply, a zoning and/or building permit shall be synonymous with preliminary or final site plan approval for this purpose. The fee percentage shall be vested on the date that the building permit is issued.
 - c. Owner-occupied residential structures demolished and replaced as a result of a fire, flood, or natural disaster shall be exempt from paying a development fee.
 - d. Development fees shall be imposed and collected when an existing structure undergoes a change to a more intense use, is demolished and replaced, or is expanded, if the expansion is not otherwise exempt from the development fee requirement. The development fee shall be calculated on the increase in the equalized assessed value of the improved structure.
 - e. Improvements not related to the expansion of the primary residential structure on the property are exempt from the residential development fee. This includes, but is not limited to: pools, sheds, patios or decks, and fences.

E. Non-residential Development Fees

1. Imposed fees
 - a. Within all zoning districts, non-residential developers, except for developers of the types of development specifically exempted, shall pay a fee equal to two and one-half percent (2.5%) of the equalized assessed value of the land and improvements, for all new non-residential construction on an unimproved lot or lots.
 - b. Non-residential developers, except for developers of the types of development specifically exempted, shall also pay a fee equal to two and one-half percent (2.5%) of the increase in equalized assessed value resulting from any additions to existing structures to be used for non-residential purposes.
 - c. Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee of two and one-half percent (2.5%) shall be calculated on the difference between the equalized assessed value of the pre-existing land and improvement and the equalized assessed value of the newly improved structure, i.e. land and improvement, at the time final certificate of

occupancy is issued. If the calculation required under this section results in a negative number, the non-residential development fee shall be zero.

2. Eligible exactions, ineligible exactions, and exemptions for non-residential development
 - a. The non-residential portion of a mixed-use inclusionary or market rate development shall be subject to the two and a half (2.5) percent development fee, unless otherwise exempted below.
 - b. The 2.5 percent fee shall not apply to an increase in equalized assessed value resulting from alterations, change in use within existing footprint, reconstruction, renovations and repairs.
 - c. Non-residential developments shall be exempt from the payment of non-residential development fees in accordance with the exemptions required pursuant to P.L.2008, c.46, as specified in the Form N-RDF "State of New Jersey Non-Residential Development Certification/Exemption" Form. Any exemption claimed by a developer shall be substantiated by that developer.
 - d. A developer of a non-residential development exempted from the non-residential development fee pursuant to P.L.2008, c.46 shall be subject to it at such time the basis for the exemption no longer applies, and shall make the payment of the non-residential development fee, in that event, within three years after that event or after the issuance of the final certificate of occupancy of the non-residential development, whichever is later.
 - e. If a property which was exempted from the collection of a non-residential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this section within 45 days of the termination of the property tax exemption. Unpaid non-residential development fees under these circumstances may be enforceable by the Borough of West Wildwood as a lien against the real property of the owner.

F. Collection Procedures

1. Upon the granting of a preliminary, final or other applicable approval, for a development, the applicable approving authority shall direct its staff to notify the construction official responsible for the issuance of a building permit.
2. For non-residential developments only, the developer shall also be provided with a copy of Form N-RDF "State of New Jersey Non-Residential Development Certification/Exemption" to be completed as per the instructions provided. 6. Within 10 business days of a request for the scheduling of a final inspection, the municipal assessor shall confirm or modify the previously estimated equalized assessed value of the improvements of the development; calculate the development fee; and thereafter notify the developer of the amount of the fee.
7. Should the Borough of West Wildwood fail to determine or notify the developer of the amount of the development fee within 10 business days of the request for final inspection, the developer may estimate the amount due and pay that estimated amount consistent with the dispute process set forth in subsection b. of section 37 of P.L.2008, c.46 (C.40:55D-8.6).
8. Fifty percent of the development fee shall be collected at the time of issuance of the building permit. The remaining portion shall be collected at the issuance of the certificate of occupancy. The developer shall be responsible for paying the difference between the fee calculated at building permit and that determined at issuance of certificate of occupancy.

 - a. A developer may challenge residential development fees imposed by filing a challenge with the County Board of Taxation. Pending a review and determination by the Board, collected fees shall be placed in an interest-bearing escrow account by the Borough of West Wildwood.
