**Please read prior to completing this application on Back**

Dear applicant,

Please read these instructions prior to filling out your application for the CSAMACPFEC. Fill out the application accurately and in its entirety. If the required fields are not completed the application will not be processed. Prior to submitting the application, please ensure the property has the following:

● **Smoke Alarms –**

- A. are required in each sleeping room/area
- B. are required outside (within 10') of each sleeping room/area
- C. are required on every level of the building (including attics)
- D. refer to the manufacturer's instructions for additional guidance for the placement of smoke detectors

**Note: All smoke alarms must be installed and in working order at the time of inspection.**

- A. Hardwired smoke alarms – must be replaced if older than 10 years after the date of manufacture (can be located on back of alarms)
- B. Battery smoke alarms – must be the 10-year sealed battery type smoke alarms

● **Carbon Monoxide Alarms –** are required (as listed below) in any building where there are fuel burning appliances (i.e. natural or LP Gas heat, cooking, oil heat, fire places, etc.) It is also required if there is an attached garage to the building.

- A. are required outside (within 10') of each sleeping room/area
- B. are required on every level of the building

● **Fire Extinguishers –** Must be a minimum size of 2A:10BC, be a new (current year) extinguisher or certified (properly tagged by a licensed fire protection agent) for each cooking area(s). It must be hung in a visible location or within a properly labeled cabinet

**Please DO NOT submit this application until all the above requirements have been met.**

Once it is received the fire inspector will conduct the inspection as soon as possible. If providing keys or a lock box code for the property, please note on the application. If the property does not pass the initial inspection a re-inspection must be scheduled, and a re-inspection fee will be charged. Please feel free to contact the office if you have any questions at 609-522-4845.

Thank you for your cooperation
